

# **This Land could be a park**

**This is surplus City land. It belongs to you. It is the 'Roy Street Shops' property. It includes the entire parking lot and the very long, old building.**

**If you would like it to become a park--like a play area, mini-forest, or community garden--let your councilmember know by signing the petition at [TreePAC.org](http://TreePAC.org), TAKE ACTION tab. There is more information on the Roy Street Shops in [TreePac.org](http://TreePac.org), under the ISSUES tab.**
